DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This pair of two bay wide, two story high buildings stands at the end of a row, sharing a common airy-way. Built of brick laid in running bond, the elevations of the houses parody each other. First floor openings have been boarded and concreted.

Built on a low, windowless brick base, two brick steps lead to the entrance on the left at 1024. All wall openings are segmental arched except for the wood-lintelled sally port to the left of the entrance. All openings have brick sills. A mousetoothed brick cornice runs at the line of the rear sloping shed roof.

1026 Peach is a parody of 1024 except that first floor openings are flat. Its surface has been stuccoed, and it shares a party wall with 1028 Peach Street, which is similarly styled.

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

1024-1026 Peach Street is typical of the small rental properties built to house black tenants in Sharp Leadenhall. Similar to those built before the Civil War (like those at 1014-1016 Peach Street) the major difference in these later houses is the flat roof.
